Improving Outcomes by Engagement

1.5 CEUs

Chris Hazel, MEd, LPC, LSOTP, CCTP

Chris Hazel is a Resident Therapist at Pegasus. He will provide a hands-on tour of the campus and demonstrate tools we use to effectively engage our residents in sexual behavior treatment.

- TO REGISTER:
- Email Pegasus Clinical Director Kelly Gilleland at kelly.gilleland@pegasusschool.net
- Once registered, a confirmation email and full agenda will be provided.

About Pegasus

Pegasus Schools, Inc. is a Residential Treatment Center licensed by the Texas Department of Family and Protective Services, License #844396. Founded on November 17, 1990 by our CEO Robert Ellis, Pegasus serves up to 200 boys with sexualized behaviors who may also have trauma, chemical dependency issues, anger management challenges, and emotional disorders.

The Pegasus Sexual Behavior Treatment Program consists of four treatment phases: Orientation, Honesty, Empathy, and Transition. For residents who need further assistance, a Reinforcement Phase has been added to our treatment protocol. Additionally, residents who have also been victimized or have experienced traumatic life events can receive special trauma services at our new Soaring Eagle Trauma Treatment Center on the Pegasus campus.

PEGASUS SCHOOLS, INC. MISSION STATEMENT: To break the vicious cycle of child abuse by providing intervention through a comprehensive milieu for abused, neglected, emotionally disturbed, and adjudicated boys between the ages of ten and seventeen. The overall goal of the Sexual Behavior Treatment Program is to stop the sexually abusive, criminal, and/or other harmful behaviors exhibited by the residents, ultimately resulting in no subsequent sexual offenses.
